The music program at McGavock is part of Music Makes Us, a joint effort of Metro Nashville Public Schools, Mayor Karl Dean, and music industry and community leaders. With a focus on music literacy and student participation. Music Makes Us is strengthening traditional school music while adding a contemporary curriculum that embraces new technologies and reflects a diverse music landscape. To learn more, go to <http://musicmakesus.org>. We are grateful to the generous contributions of the Country Music Association Foundation's Keep the Music Playing for their support in purchasing many of our high quality musical instruments.
