MUSIC MAKES US
inspire. create. perform.

The music program at McGavock High School is part of Music Makes Us, a joint effort of Metro Nashville Public Schools, Mayor Karl Dean and music industry and community leaders. With a focus on music literacy and student participation, Music Makes Us is strengthening traditional school music while adding a contemporary curriculum that embraces new technologies and reflects a diverse musical landscape. To learn more, go to <http://musicmakesus.org>. We are grateful to the generous contributions of the Country Music Association Foundation's *Keep the Music Playing* program for their support in purchasing many of our high quality musical instruments.

CDs will also include the audio from MTSBOA Concert Assessment at MTSU
