EDUCATING STUDENTS THROUGH MUSIC Music Makes Us® is a unique partnership between Metro Nashville Public Schools (MNPS), the Mayor's Office and the Nashville community. Together, these organizations work to provide meaningful support for Nashville's public school music programs. You can be a partner in making Nashville Music Education City. Music Makes Us® welcomes all organizations or individuals to serve as advocates, investors and volunteers to support access to quality music education programs. Your partnership will provide our music teachers with the resources necessary to transform the lives of students and help them find success in all areas of their lives. There is an ongoing need for instruments, instructional assistance, teaching artists, supplies, and equipment for our students as well as professional development and support for our music teachers.
